**RE: STREET LIGHT REMOVALS FROM PURCHASED LEASED LIGHTS**

80<sup>th</sup> Street (Metcalf Ave to Broadmoor)  
Avenue Eighty Project

Dear Rebecca:

The City of Overland Park **removed 2 streetlights** as part of the Avenue Eighty building project. Prior to their removal, these streetlights were part of the City's leased lighting purchase with KCP&L that became effective July 1, 2013 with the Streetlight Sale Agreement. The purpose of this letter is to confirm that the streetlight removal listed below has been or will be accurately reflected on the City's bill for this account (Account No. 2528348469). This account is based on estimated energy usage per kilowatt hour calculated in accordance with Tariff Schedule 70, Off-Peak Lighting Service. Therefore, the charge needs to be adjusted for every streetlight that is removed or modified in accordance with Section 4.4 of the Agreement, as follows:

At any time the City makes any changes to the System that may affect energy consumption, it will provide the Company a report detailing such changes. The Company will adjust its billing as appropriate.

The following streetlights were removed on the date indicated below:

PK Number	Pole Address	PoleType	Wattage	Date Removed	KWH Removed
PK1486	6901 80 <sup>th</sup> St	KCPL-OW	100	10/31/2017	49.08333333
PK1487	6955 80 <sup>th</sup> St	KCPL-OW	100	10/31/2017	49.08333333

**Total of 2 streetlights removed October 31, 2017**

**Total number of streetlights remaining as of the date of this letter is 1972**

Please adjust our account accordingly. If you have any questions, please contact me at (913) 895-6027.

Sincerely,

**BRUCE L. WACKER, P.E.**
