

917 - PRUNING

917.1 DESCRIPTION

Trees and shrubs within or overhanging into the easements that will be damaged during the construction operations shall be pruned in accordance with ANSI A300 Standards. Pruning should be done only where absolutely necessary or required to provide clearance for bicyclists and pedestrians and no trees shall be pruned without prior approval of the City. All pruning, repair, and replacement of trees and plants shall be performed by qualified nurserymen or ISA/Kansas Certified Arborist.

917.2 MEASUREMENT AND PAYMENT

Pruning shall not be paid for directly but shall be considered subsidiary to other bid items.
