TUFF-MARK® & TUFF-MARK® WITH TUFF-GRIP®

Crown manufactures a full array of pavement marking products including Preformed Thermoplastic pavement marking material. **Tuff-Mark®** and **Tuff-Mark® with Tuff-Grip®** products are available in many colors/color combinations and come precut into various lines, legends, arrows, symbols, or can be custom designed based on customer needs/specifications. **Tuff-Mark®** is available with or without surface glass beads. **Tuff-Grip®** can be added to any **Tuff-Mark®** preformed product to provide skid-resistance. Our products can be manufactured and certified against many Federal, State, City/County, and/or Country material and performance based specifications. Crown's products are engineered and manufactured using the latest technology available while also being subjected to vigorous internal Quality Control standards.

COMMON PROPERTIES & BENEFITS
