**FROM:** Shawn Gottfredson, Supervisory Traffic Engineer

**RE:** Geveko Thermoplastic Pavement Marking

**REMARKS:**

Geveko Thermoplastic pavement marking material has been approved for use on City of Overland Park projects. These part numbers are for the Geveko markings that meet the KDOT specification. The previously approved Geveko markings met a more detailed OP specification and are still approved for use and will remain on the approved products list.

The part numbers are:

ViaTherm EXT

9700003 – White

7900004 – Yellow
