FROM: Bruce Wacker, Supervisory Civil Engineer

RE: 3M DG<sup>3</sup> Type XI Retroreflective Sheeting

REMARKS:

3M DG<sup>3</sup> Type XI Retroreflective Sheeting has been approved for use on Overland Park signing projects. I am in the process of creating a specification that will make this a sole source product. It performs well at both long distances as well as near distances and at sharper angles than the Type IX or Type IV through VIII Sheeting. It has a 12-year warranty. The price will ultimately be lower than we are currently paying for other sheeting.

The catalog numbers are as follows:

White: DG<sup>3</sup> Series 4090  
Yellow: DG<sup>3</sup> Series 4091  
Red: DG<sup>3</sup> Series 4092  
Blue: DG<sup>3</sup> Series 4095  
Green: DG<sup>3</sup> Series 4097  
Fluorescent Yellow: DG<sup>3</sup> Series 4081  
Fluorescent Yellow Green: DG<sup>3</sup> Series 4083  
Orange: DG<sup>3</sup> Series 4084
