FROM: Brian Geiger, Senior Traffic Engineer

RE: Dero Bike Hitch Green OP Logo Approval

REMARKS:

As part of a non-CIP project the Dero Bike Hitch with a Green OP design within the hitch was approved in 2018. OP Parks staff continue to purchase these for replacement and new installs as of 2022.

The Dero drawing number 1004373-A surface mount is approved.
The Dero drawing number 1004374-A in-ground mount is approved. This version has held up better in the field and is preferred.
