RE: Hubbell – Wall-Mounted Type 2 Junction Box

REMARKS:

The Hubbell Wall-Mounted Type 2 Junction Box is approved for use on City of Overland Park Street Lighting Projects as a specialty item. It is intended to be wall mounted under bridges or in tunnels to support LED wall-pack lighting or LED soffit lighting in those above-ground spaces.

The catalog number is RSC121808NKSS.

It has approximate dimensions of 18”H x 12”W x 8”D which is similar to an in-ground Type 2 Junction Box to support Waterproof Submersible Splice Kits inside.
