FROM: Bruce Wacker, Assistant City Traffic Engineer

RE: Dark To Light (DTL) Photo Cell

REMARKS:

The Dark To Light (DTL) photo control cell has been approved for use on City of Overland Park streetlighting projects. This unit will replace the current photocell that has been on the approved list. This is rated for a turn on before 0.2 Fc and has a 30 second delay to help avoid headlight interaction that could force a quick turn off.

The part number is:

DP124-0.2-1826
