RE: NSi Insutries Polaris Submersible Connectors

REMARKS:

NSi Insutries Polaris Submersible Connectors have been approved for use in the City of Overland Park for street lighting splices within service and junction boxes. They are submersible and do not require taping. The correct product shall be used for the appropriate number of cables requiring to be spliced. e.g. A three port connector shall not be approved for use in splicing two cables together. These replace the old Polaris Blue connectors which are being discontinued

The product numbers are:

ISPBS2/0 - straight two port
ISPB2/0-2 - side two port
ISPB2/0-3 - side three port
ISPB2/0-4 - side four port
ISPB2/0-6 - side six port
ISPB02/0 - opposite three port
