

VISA-LINE

*Temporary
Pavement Markings*

swarco 

Visa-Line is a highly economical solution when short-term temporary marking tapes are needed for construction or road repair areas.

Visa-Line temporary pavement marking tape is designed to provide reflective delineation to roads during asphalt overlay or new road construction. Not only can Visa-Line be left in tact but it can be removed with heat or simply paved over when your project is completed.

VISA-LINE IS EASILY INSTALLED EITHER BY HAND OR WITH SWARCO'S TAPE APPLICATOR ON LARGER PROJECTS (PURCHASE & LOANER PROGRAMS AVAILABLE FOR APPLICATION EQUIPMENT)

Available In:

Construction Grade
useful in remote locations when the speed of repairs or assignment of marking crews is impractical.
4" x 100 yards (10cm x 91m)
Special sizes on request

Engineer Grade
has a thicker matrix and binder system for greater durability. It is especially useful for longer term temporary applications.
4" x 50 yards (10cm x 46m)

WARRANTY: The following is made in lieu of all warranties, expressed or implied: Seller's and manufacturer's only obligation shall be to replace such quantity of the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss, or damage, direct or consequential, arising from the use, or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use, and user assumes all risk and liability, whatsoever, in connection therewith. The foregoing may not be changed except by written agreement signed by an officer of the manufacturer.
