Please forward this information on to other interested parties that are not listed above.

**FROM:** Bruce Wacker, Assistant City Traffic Engineer

**RE:** Falcon Fine Wire Radar Detection Home Run Cable

**REMARKS:**

Falcon Fine Wire Radar Detection Home Run Cable has been approved for use on City of Overland Park projects. It is slightly different than other approved cables. It has 2 pair of 22 AWG communication cable, but the 1 pair red and black power cable is 18 AWG instead of 20 AWG which will provide a little better voltage drop.

The part number is:  
532P2218HD-08
