RE: McCain Traffic Supply Pedestrian Signal Heads

REMARKS:

Since we no longer use the Clamshell mount pedestrian heads, the part numbers have changed for the McCain Traffic Supply pedestrian heads.

The new part numbers are:
M31466 – Yellow housing
M31655 – Black housing

These poly housings with black aluminum doors with no Z-crate visor.
They have port holes in the top and bottom for the standard signal head mounting bracket.
The part number has been revised to mount with standard signal head brackets instead of the clamshell mount bracket – Bruce Wacker 6/3/13
