Please forward this information on to other interested parties that are not listed above.

**FROM:** Bruce Wacker, Assistant City Traffic Engineer

**RE:** Reno Vehicle Detector Cards

**REMARKS:**

The old Reno vehicle detector cards are no longer approved because they do not have TS2 status output available.

They have a new product that is. Therefore, this is a memo approving the new product.

The part numbers are:

Model C-1200-SS Series – two channel card  
Model E-1200-SS Series – four channel card
