## METCALF AVENUE IMPROVEMENTS, 159<sup>TH</sup> STREET TO 167<sup>TH</sup> STREET (TH-1027) OPEN HOUSE INFORMATION MEETING

Dear Property Owner:

You are invited to attend an open house information meeting for the Metcalf Avenue Improvements, from 159<sup>th</sup> Street to 167<sup>th</sup> Street. The meeting is scheduled for **Thursday, May 3, 2018, 5:00 to 6:30 p.m.** The meeting will be held in the conference room at the Overland Park Blue Valley Maintenance Facility, 6869 W. 153rd Street, Overland Park, KS 66223. The maintenance facility is located east of Metcalf on 153rd Street.

The main focus of the meeting will be to discuss the schedule. The City of Overland Park received the lowest and best bid from Hamm, Inc. to construct these improvements. Utility relocations for the project are nearing completion and construction will begin soon.

The construction contractor will be required to keep the area safe during and after working hours. If you have children, **PLEASE HELP** by keeping them away from all construction equipment and activities. Safety of all of our residents, particularly children, is of primary importance.

As a property owner in this area, we encourage you to attend this open house information meeting. If you have neighbors who did not receive this invitation, and are interested in the project, they are welcome to attend as well.

Because this meeting is an "open house," there will not be a formal presentation. We look forward to seeing you between 5:00 - 6:30 p.m.

Please call me at (913) 895-6001, if you have any questions.

Sincerely,

TONY ROME, P.E.  
SENIOR CIVIL ENGINEER
