RE: Pelco Product, Industries Traffic Signal Pedestal Pole

REMARKS:

The Pelco Product, Industries Traffic Signal Pedestal Pole has been approved on City of Overland Park projects. The pole shaft, pole cap and pole base have previously been approved. However, we are now requiring the base collar to prevent issues we have been having with the pole shaft becoming loose in the base.

The part numbers are as follows:

Square Pedestal Base:	PB-5335-1S-GL-PNC
Pole Cap:	PB-5402-PNC
Base Collar:	PB-5325-PNC
9' Pole Shaft:	PB-5100-9-PNC
13' Pole Shaft:	PB-5100-13-PNC
14' Pole Shaft:	PB-5100-14-PNC
