Please forward this information on to other interested parties that are not listed above.

**FROM:** Bruce Wacker, Assistant City Traffic Engineer

**RE:** Valmont Galvanized Traffic Signal Poles (2013 AASHTO)

**REMARKS:**

Valmont galvanized traffic signal poles designed to 2013 AASHTO have been approved for use on City of Overland Park traffic signal projects. There was a change to the handhole that was made after the first revision was released.

**9/7/16:** There is a new revision designation that changes the pole height on a "NL" pole from 19'-6" to 20'-6" to accommodate extra width of the mast arm.
