FROM: Bruce Wacker, Assistant City Traffic Engineer

RE: Myers Electrical Products Four Circuit Streetlight Control Center

REMARKS:

The Myers Electrical Products Four Circuit Streetlight Control Center had been approved for use on City of Overland Park streetlighting projects. This is the new design that has the ringless meter cover with horn bypass that meets KCP&L requirements.

The part number is:

MEUG16AR-M100-OPK

MEUG = Myers Electric Under Ground

16 = cabinet width

A = aluminum

R = ringless meter socket

M100 = main size (100A)

OPK = your design
