RE: AXIS P3719-PLE Network Camera (Quad)

REMARKS:

The Axis Communications CCTV Quad Camera has been approved for use on Overland Park projects. From time to time, they discontinue products and provide updated products.

The new part number is:

Quad Camera

P3719-PLE – Quad Camera

02172-004 – 30W PoE Midspan

These new part numbers replace previous approved materials at the request of Gotfredson.
